

Inspire Physical Therapy Illness Policy

ILLNESS POLICY

We require the client and the main caregivers who reside in the home to have been symptom-free for 24 hours before their appointment. These symptoms may include but are not limited to a *fever, vomiting, diarrhea, rash, coughs and colds, and obvious contagious conditions, such as head lice or pink eye.*

MASKS

Washington County Mask Mandate may be lifted, however:

- Our staff may continue to wear a mask during your treatment.
- You are welcome to continue wearing a mask.
- Your therapist has a right to ask for you to wear a mask at any time during your treatment.
- IPT may ask you to reschedule if you show signs of illness or if a family member who resides in the home has been ill.

COVID

Please follow the guidelines listed by the [CDC](#), this determines, the length of isolation vs. quarantine. If you test negative, we can resume therapy as scheduled. (w/ no symptoms) If your family member is positive (residing with you or your child) call us to discuss. We also would be happy to change your appointment to **telehealth**.

Please call the main office 971-246-7478 for all cancellations or reschedule.
